LIGHT DISCIPLESHIP INSTITUTE

March 7, 2012 - April 25, 2012

The Metropolitan Light Discipleship Institute will convene for an eight-week session, offering classes geared to nurture Christians of all ages and in all stages of life, in their growth from membership to discipleship! Classes are open to all members of Metropolitan NTM Baptist Church, as well as to the entire Capital Region community and beyond.

REGISTRATION

Class registration begins on **Sunday, February 5, 2012** and will continue to the first day of classes. Participants are asked to select **ONE** class to attend for the entire eight-week session.

To register, complete the form within this brochure and submit it to the Metropolitan Church Clerk's Office, or to any Usher during Sunday Worship Services. **You may also register online via our website at www.MetroBaptistAlbany.com.**

Our class sessions will culminate with a Completion Celebration, during which the participants that attended six or more classes will receive a Certificate of Completion. Everyone is expected to attend as many class sessions as possible in order to gain a substantial understanding of the class.

DROP/ADD PERIOD

In order to ensure that the participants receive maximum instruction, the drop/add period is designated as the first two weeks of classes. It will only be during this period (the first two weeks of classes) that any participant may switch their registration from one class to another. Following the first two weeks of classes all participants must attend the class for which they are registered in order to receive proper class credit and be eligible to receive a Certificate of Completion.
